

29 September 1960

MEMORANDUM FOR THE DIRECTOR:

1. This memorandum is for information only.
2. Congressman Walter, according to the attached clipping from the 3 October 1960 issue of NEWSWEEK, "wants a full-dress probe of U. S. intelligence agencies, especially the CIA."
3. In the same issue of NEWSWEEK, Kennedy answered a series of questions. One was as follows: Q—In view of the case of Martin and Mitchell, do you believe any reorganization is necessary in our security or intelligence setup?  
Kennedy—Our security arrangements and our intelligence facilities must be subject to constant examination and constant revision. Until the conclusion of the current Congressional studies I intend to withhold judgment as to where the fault lies— if there is any fault.

STANLEY J. GREGAN  
Assistant to the Director
